

What's a Student Mini-Grant?

What are they for?

To fund AODA prevention & wellness projects developed for students by students.

Who can apply?

Any group of students in grades K-12 can fill out the application to describe a prevention or wellness project they are interested in.

What can we get?

Each funded project may be awarded up to \$1,000.

When are they available?

Applications are mailed to your district in August and available on the DPI website. They are due at your local CESA (or MPS central office) by September 24th. The project needs to be completed and final claim submitted by June 30, 2005.

What are some good ideas for projects?

Peer helper or educator programs, wellness fairs, prevention skits, awareness campaigns for parents and community members.

What are ATS Projects?

The development of youth projects targeting Alcohol Traffic Safety (ATS), such as SADD chapters, Just-Say-No clubs, or any other creative group activity are appropriate use of the funds.

Who can we get more information from?

For more information, applications or questions, contact Shelly Greller at the Department of Public Instruction:
